Easy Relief Printmaking

December 8 & 9

1:00 pm - 4:00 pm

Instructor: Sara Tabbert

This class is a gateway into the highly addictive world of relief printmaking. We'll explore two different ways of making prints that can easily be continued at home. The first day will have demos as well as working time and the second will be more of a time for students to explore their ideas further with individualized help from the instructor.
