Woodworking for Kids

Nov. 7 - Dec. 19

Wednesdays: 4:30 - 6:30 pm

Ages 11- 14

Instructor: John Manthei

The goal of this program (in addition to having fun making cool stuff) will be to develop proficiency in a wide range of woodworking tools and techniques.

This kit of skills will be a stepping stone to further explorations into craft of all kinds. As is the case with building almost anything; design, aesthetics, math and physics will play a role.

\$175 Folk School Members, \$220 Non-Members
